

School ADvance Training Descriptions and Fee Schedules

Basic Training Session

2 Day training for school districts or organizations who are not yet using School ADvance for their administrator evaluation tool and would like to be new adopters. This is a new team training session. If scheduled 45 days in advance, SCECHs can be offered.

New Administrator Training Session

1 Day training for administrators who are new to districts or organizations who are already implementing School ADvance for their evaluation tool. This is a catch-up training session. If scheduled 45 days in advance, SCECHs can be offered.

Superintendent/Board Training Session

2 Part training for Superintendents and Board members who would like to be new adopters of School ADvance for their evaluation tool.

Part 1: Superintendents and Board Presidents meet to outline district priorities, identify evaluation characteristics, and begin to set goals and develop growth plans. Usually 2-3 hours.

Part 2: Superintendents and Full Boards meet and walk through the full Board Presentation and develop the implementation plan with timelines. Usually 3-4 hours.

Board Work Session Superintendent Evaluation Facilitation

1 Day work session with a School ADvance/MASA leader facilitating the evaluation process between a Board and a Superintendent. Usually 2-3 hours.

School ADvance Training Refresher

1 Day work session with a School ADvance/MASA leader facilitating a School ADvance refresher for a local district/ISD/organization.
